REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the prior art of record does not anticipate or render obvious the claimed agents, kits or method of coloring hair. The closest prior art is U.S. Patent 3,634,013 and WO 02/074268. These references disclose dyeing keratin fibers with hydrazone compounds of the formula (I) but do not disclose an agent which contains a hydrazone derivative of formula (I) and an aromatic enamine of the formula (IIa) or acid addition salt thereof of the formula (IIb). The references provide no motivation to modify the agents and method of coloring hair disclosed therein to arrive at the claimed agents and method.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Fiona T. Powers whose telephone number is 571-272-0702. The examiner can normally be reached on Monday - Friday 8:00 AM to 4:30 PM.
